Teacher Cards for the Ferguson Library

Ferguson Library Teacher cards are issued on an annual basis to anyone who teaches in a K–12 school or licensed early childhood program in the town of Stamford. Patrons applying for Teacher cards must show proper i.d.

Special Features of a Teacher Card

☑ The teacher card allows you to keep materials you check out for school use separate from those you check out for personal use.

☑ Your teacher card allows you to borrow a rich and diverse selection of materials:

   Magazines may be taken out for one week.
   Up to 10 DVDs may be taken out for one week.
   Express titles and new materials are not eligible.

Teacher Card Guidelines

We reserve the right to limit the total number of materials that may be borrowed, and the number of materials borrowed on a specific topic.

Cards are issued to individual teachers only, not to the school. Although no overdue fines will be charged, each teacher is financially responsible for lost or damaged materials.

Be sure and ask about our Learning Kits, Teacher Units and other services for educators. Contact the Youth Services Department for more information at 203 351-8243.
