Dolan Middle School Summer Reading Program

2024

Incoming Seventh Graders

Students entering all grade levels of Dolan Middle School will be required to read TWO books during the summer months, one fiction (narrative) and one nonfiction or informational text. For each book read, students must complete a graphic organizer and response questions. These will count as graded assignments for Quarter 1.

ALL PAPERS DUE BY SEPTEMBER 6, 2024

Assignment Instructions: Read a fictional narrative text and an informational text that has a connection in some way to the narrative. For example, if your narrative text is a mystery set in England, you can choose to read an informational text about that country. Then, complete the graphic organizers for both books. You may take notes, create post-its, write summaries, etc. in addition to the graphic organizer.

FICTION

- *Narrative Texts* tell a story, usually in chronological order, about a specific event(s). The purpose of narrative literature is to entertain the reader through the characters, setting, and plot. Narrative texts genres include realistic fiction, science fiction, horror stories, adventure stories, fables, myths and legends, and historical narratives.

NON-FICTION

- *Informational Texts* are nonfiction texts with the primary purpose of informing the reader about the natural or social world. Informational texts can be found about almost any subject – science, sports, people, careers, historical events, etc.
