# **MINIATURE GOLF IS COMING TO THE FERGUSON LIBRARY!**

**SATURDAY, FEBRUARY 22 AND SUNDAY, FEBRUARY 23, 2025**

**10 A.M. TO 4 P.M.**

**HARRY BENNETT BRANCH, 115 VINE ROAD, STAMFORD CT**

On Saturday, February 22 and Sunday, February 23 our Harry Bennett Branch will become an 18-hole miniature golf course as players of all ages putt their way through the library!

We are offering you the opportunity to participate in this fun community event as a sponsor of one of the holes. Your sponsorship will support the library and provides a marketing opportunity for wide exposure of your company for at least several weeks before and during the event. If you are considering a sponsorship, please note the following:

- Sponsors will be publicized in the Friends’ newsletter, on the library’s website and with in-library displays seen by thousands of people in the weeks before and during the event.
- Your name and logo will be showcased at your sponsored hole and on the scorecard.
- If you’d like, you may decorate your hole with an age appropriate theme aimed at children under the age of 12. We ask that you do not alter the course in any way with your decorations.
- Attendance at your sponsored hole is encouraged throughout the weekend; however, it is not necessary. We will tidy up your hole throughout the weekend.
- We anticipate having more than 1,500 participants during this two day event. Please consider a small gift at your hole, as our golfers LOVE give-aways and it’s a wonderful way to remember your business.

The Friends of the Ferguson Library is the Ferguson’s volunteer support group. Friends advocate for the library in the community and raise funds to support library programs and collections through their award-winning book shops and events like these.

See the enclosed information page for details about sponsorship levels.

Thank you for supporting the Ferguson Library, Stamford’s public library.
