Recording Studio at the Library

Have a song you want to record? Do some jamming at the Library's recording studio. Bring your own instruments, or use our guitars and keyboard to digitally record your activity. Our equipment is also available if you want to learn to play or practice. For more information or to reserve studio time, contact Frank Skornia, fskornia@fergusonlibrary.org.

Passport Services

You can apply for a passport at the Library. We have passport offices at the Main Library and Harry Bennett Branch. No appointment needed and we take photos too. We can renew for children under age 16. Check our website for hours and information, or call 203 964-1000.

Friends of The Ferguson Library

Book Shop Fall Sale
Don’t miss our fall sale. All cookbooks, gardening books and craft and hobby books are 40% off in October at the Friends Book Shop. A great deal on already great prices! All proceeds support the Library.

Focus on Ferguson

From the President’s Desk

At The Ferguson Library we love Halloween! You will often see us dressed up for this festive holiday. So this year, we have designed a special treat for you. From October 27 to November 3, bring in your overdue items and your fines will be waived! How does this work? During “Treat Week,” when you return any overdue items that are actively accruing fines, or for which you have been billed, the fines and the bill will be waived. However, you will still have to pay for lost items. Old fines on your record will also be forgiven. In order for us to clear these old fines, you will need to visit one of the Library’s locations. Why this treat? We are looking for ways to get long overdue items back into the collection and available for others to use. And we don’t want fines to prevent anyone from using the Library.

Elizabeth McKay

New Youth Services Supervisor

You might have seen Elizabeth McKay around. She’s been with The Ferguson since 1998, and is now setting into her role heading up the Library’s Youth Services Department. Liz, who was formerly the Senior Youth Services Librarian, took over as supervisor of the department last April.

“We have a great staff and I’m enjoying working with them in this new capacity, and also getting to know our community partners,” she says. Next time you’re in the Youth Services Department, stop by and say hello.

New Trustees Join Library Board

The Ferguson Library Board of Trustees has elected Tom Cassone as its new chair for 2018–2019. He succeeds outgoing chair Stephen M. Frederick. Tom is a partner at the law firm of Morrison & Foerst and manages its Connecticut office, where he engages in a broad array of trial and appellate litigation on behalf of individual and institutional clients. He is presently the Director of Legal Affairs for the city of Stamford.

Tom is a two-time past chair of the Board of Trustees of The Ferguson Library, and also serves as a trustee of The Ferguson Library Foundation.

Don’t miss Stamford’s fourth annual Literary Pub Crawl, Tuesday, October 16. We’ll meet at the Library at 6:15 p.m., then “crawl” to Bar Rosso, Cask Republic, Hudson Grille and Coromandel. Pub Crawl specials and entertainment at each location. Entertainment provided by Curtain Call, the Stamford All-School Musical, the Westfaiers and the trivia team of Bruce and Rosemary Harris. Tickets are $15 to benefit the Library. Register at fergusonlibrary.org. Space is limited. Last year we sold out!

Support for Sunday Hours

Thank you to the Long Ridge School for sponsoring Sunday hours at the Main Library last month. Long Ridge School’s generous donation of $2,500 underwrote one Sunday at the Main Library, DiMattia Building. Sundays are one of our busiest days of the week and we are grateful for their support. If you would like to support Library hours at the Main Library or branches, please contact Linda Avellar, 203 351-8208 linda@fergusonlibrary.org.

Home Page: Ferguson’s Internet and Online Resources

Standard & Poor’s NetAdvantage

Standard & Poor’s NetAdvantage provides in-depth information on companies, industries, the stock market and the economy. With this database, you can access Standard & Poor’s company profiles, financials, stock reports, corporation records and analysis. Industry information includes surveys of more than fifty broad industries. You can find NetAdvantage through the Research page of our website, under A to Z databases. You’ll need your Ferguson Library card to log on.
